Dear Kris

Tepid Baths Redevelopment

On 23 June 2012 the Auckland Council and Waitemata Local Board hosted a momentous occasion, the reopening of Auckland's iconic Tepid Baths. Ninety-eight years after it first opened, people are once again getting fit and active at the iconic Tepid Baths.

This ambitious project took almost two years to complete and involved hundreds of people, all experts in their field and all offering a unique contribution to the end result. As part of the Tepid Baths Redevelopment Team, Auckland Council would like to thank you for your contribution to the successful restoration of the Tepid Baths.

The Tepid Baths redevelopment is an example of smart project management, exemplary collaboration and meticulous heritage protection. It epitomises Auckland's vision of a liveable city: celebrating our past and providing a modern and functional recreation facility that all Aucklanders can use and enjoy.

We would like to thank you for your role in helping us reach this important milestone and return the Tepid Baths to the people of Auckland.

Yours sincerely

Sharon Rimmer
Project Leader, Tepid Baths Restoration
